## Retirement after over 30 years of service to the TPK

On July 01, 2024, Mr. Lüttke will take his well-deserved retirement as managing director of the Technology Park.

He would like to thank all his companions: „After many years of successful collaboration, I would like to say goodbye to you as managing director of the Technology Park. It has been fun to be part of this innovative community. Thank you very much for your trust and support. I wish the Technology Park and you continued success, creativity and exciting developments.“

The entire TPK staff would like to thank Mr. Lüttke most sincerely for his extraordinary commitment, numerous successes and great leadership over the past eventful 30 years!

## Welcome Mr. Risch

At the same time, we are pleased to welcome Mr. Risch as the new managing director of the Technology Park. Mr. Risch brings with him extensive experience from various management positions and most recently worked as Head of Development for a project developer in Hamburg. At the start of his new role, he says: „It is a great pleasure to take over the management of the Technology Park. The TPK offers a unique platform for creativity and progress. Without Mr. Lüttke’s great performance, the TPK success story would not have been possible – a big thank you! I am already looking forward to reaching new heights and realizing groundbreaking projects together with my dedicated team and innovative partners. Please feel free to contact me if you have any questions or comments.“ We wish Mr. Risch every success and all the best for the challenges ahead.
